Pat,

When you say that you only handle full margin brands, I assume you mean PM brands (including price value) but not FVB. BASIC is a price value PM brand and is not handled by Lynn Turner-Smith It used to be FVB but is not any more). This is your responsibility. Please contact Giuseppe D'Alessandro with the order details.

Once again, I only handle full margin brands -- all FVB is handles through Lynn Turner-Smith and I have no idea if Basic is new or not.

Pat,

I was surprised when Giuseppe said that you refered him to me for BASIC repack cartons since this is a NEW item and our agreement is that you handle all new items, and Kenya handles all existing items. New graphics constitutes new items, for repacks, labels, etc. Also, in the future, please refer these types of requests directly to Kenya. Please let Giuseppe know that you will handle this requirement.
Thank you.
